Hi Kathy,

Welcome back! I hope that you and your family had a great spring break.

I am getting this moving again. It does seem like this response letter was never put into CMS nor sent to NACEPT. I need to make sure that it gets done and the sooner the better. Bill Ross, the NACEPT chair, is done with his term on April 25 and it would be best if we can send it to him before then.

I've attached the original letter to which I've edited so that names are current. I don't imagine that any of the substance needs to be changed, but you might know better than I do.

A couple of questions:

- Are the names now correct?
- Do we have to update any of the substance? If so, who needs to see it and/or edit it?
- Who in OW can put this in CMS?
- Any other steps that I am missing?

Thanks for helping me move on this quickly!

Jake
